

Harbor Heritage University

Supplemental Application Form

A Division of The Federation of International Gender and Human Rights
New York, New York

Life-Work Experience Form

Must complete at Application.

As instructed and in order to count your work experience into your educational acumen, you are to list the pathology of your life's work, on this is form. From your Girl/Boy Scout days to your new Retirement date, please list Volunteer work, Summer Jobs, Civic Programs, Equational programs, certificates, and certifications outside of school, Professional Groups, Civic Clubs, even your current work career. Please try to list them in order (youngest to oldest) as it helps to allow you to recall specifics of the duties. All levels of allocated work that you have done, ascribes you to another level of degree you can earn. We have given you an example. If you need to use another page, please put the **TOTAL NUMBER** on the first page.
